

VOICE OF KENYA

Sauti ya Wananchi

Terms of Service

Effective: June 13, 2026

1. Platform Ownership & Independence

Voice of Kenya (operating as **Sauti ya Wananchi**) is a privately developed and independently operated civic reporting platform. It is **not** a government agency, county office, or law enforcement body. The platform is owned and maintained by an independent developer based in Kenya under the brand **Zetu Business Solutions**.

2. No Government Affiliation

This platform has no formal affiliation with the Government of Kenya, any county government, or any public institution unless explicitly and officially stated otherwise. Submission of an issue report does not guarantee any official action, response, or acknowledgment by any government entity. The platform serves purely as a civic communication tool.

3. User Responsibilities

By using this platform, you agree to:

- Submit only accurate, truthful reports based on real events or observations.
- Not submit false, misleading, or fabricated reports against individuals or institutions.
- Not publish defamatory, harassing, threatening, or abusive content.
- Not upload manipulated, altered, or illegally obtained images or evidence.
- Not impersonate any person, official, organisation, or government agency.
- Not use the platform for political campaigning, spam, or commercial promotion.

4. Anonymity & Reporting

The platform supports anonymous reporting. Your personal information (name, phone, email) is optional and will not be shared publicly unless you explicitly choose to make it visible. A unique tracking code is issued per report — keep it safe as it is the only way to update or track your submission.

5. Moderation Rights

The platform reserves the right to remove, archive, or reject any report that violates these Terms of Service, contains illegal content, or is submitted in bad faith — without prior notice or explanation. Repeated abuse may result in IP-level blocking.

6. Donations & Support

Voluntary contributions made to support this platform are used solely for hosting, maintenance, and development costs. Donations do not grant donors any ownership, editorial control, administrative access, or special privileges. All donations are final and non-refundable.

7. Intellectual Property

Reports, comments, and media submitted to the platform may be used by Voice of Kenya for civic research, statistical analysis, public-interest journalism, or platform improvement — in anonymised form. You retain ownership of your original content but grant the platform a non-exclusive licence to display and use it.

8. Disclaimer of Warranties

The platform is provided "as is" without warranties of any kind. The platform owner does not guarantee uninterrupted availability, accuracy of third-party content, or that submitted reports will result in any action by authorities or service providers.

9. Limitation of Liability

To the fullest extent permitted by Kenyan law, the platform owner, contributors, volunteers, and sponsors shall not be liable for indirect, incidental, or consequential damages, including lost profits, data loss, or third-party service failures arising from use of this platform.

10. Governing Law

These Terms of Service are governed by and construed in accordance with the laws of the Republic of Kenya. Any disputes arising from use of this platform shall be subject to the jurisdiction of the courts of Kenya.

11. Changes to Terms

These terms may be updated at any time. Continued use of the platform after any update constitutes acceptance of the revised terms. The effective date shown at the top of this document reflects the most recent revision.
